

Blue-Eye Training

**British Institute of Facilities Management  
(BIFM)**

## **Level 6 Qualification Options**

V 20220.V1

The new British Institute of Facilities Management (BIFM) Level 6 qualification is particularly appropriate to **experienced senior managers working at higher management levels** who have a track record in managing and directing FM operations. Blue-Eye Training offer the three qualifications – Award, Certificate and Diploma at Level 6 – depending on the time available to the learner and their experience. Achievement of the Diploma qualification leads to Certified Member grade of the BIFM.

#### **Comprises:**

A full day induction and assessment guidance workshop  
10 days of topic workshops  
9 days of reflective / revision workshops

The programme has a flexible start format which allows learners to join at a time that suits their needs. Study is via a blend of distance learning (home or workplace study), coupled with topic and reflective workshops over a 2-year period, depending on the qualification selected.

Learners will be assessed on the relevant assessment units to achieve the appropriate qualification. Assessment is via a series of written assignments which are issued at the end of each reflective workshop. We provide full learner support for the assessments.

#### **Course Information:**

Full course information, including course content and learning outcomes can be found in our full course information booklet which can be downloaded from our web site.

The booklet also includes information regarding course dates, prices, the Newbury venue and other arrangements.
